FINANCIAL SUPPORT

Please consider us when making your next charitable donation. Open Door Center is a non-profit organization which receives support from the North Dakota Department of Human Services. Although it is our main funding source, it is not enough to cover all the costs of our corporation. We need and also receive many types of tax deductible donations from different organizations in the Valley City area as well as from family members and concerned individuals. The money received helps provide continued and future valuable assistance by Open Door Center to our programs for persons with disabilities. We are very appreciative for the support we do already receive. If you would like to consider a financial contribution to help meet the needs of our children and adults with disabilities, please fill out this form and return it to Open Door Center.
